

MERCYHURST PREP ATHLETIC REGULATIONS
For student-athletes and parents
2015-16
MARKED BY PRIDE AND SPIRIT

Mercyhurst Prep endeavors to provide a QUALITY athletic program for its student-athletes. The objectives of the school and those of athletics coincide. Mercyhurst Prep believes that athletics can play an integral part in the development of characteristics needed by an individual who will make responsible choices, contribute to society, and be a total, well-rounded person.

In order to have a quality program, athletes who voluntarily participate must know their rights and responsibilities. Guidelines have been established by the school with input from coaches and athletes in order to make our teams the best we are capable of becoming.

GENERAL REGULATIONS

1. Upon trying out for a sport, the student should become familiar with the rules and regulations established by the Pennsylvania Interscholastic Athletic Association (PIAA) and the regulations as well as guidelines and requirements of D-10 and Mercyhurst Prep. This information is available through coaches, the athletic department, the Mercyhurst Prep website and the PIAA website.
2. The student must meet all of the age, enrollment, attendance and scholastic requirements as established by the PIAA and Mercyhurst Prep.
3. Student-athletes are discouraged from participating in any other community or parish sports during the season in which they participate at school.
4. If a student quits a team after the team has been selected he/she may not participate on another team during that season. The student will forfeit his/her award. However, if a student does not make a team, he/she may try out for another team with the permission of the athletic director.
5. Students are required to have on file in the athletic office the Parent Consent Form, and it must be properly completed and signed. No student may practice unless this form is on file. Each year requires a new physical exam (PIAA). In addition, a student athlete returning from an injury requiring medical treatment must be recertified by a physician in order to play or practice. MPS offers physicals in June and November.
6. Team members are expected to be at all practices, team meetings, and contests unless excused by the coach. A coach may discipline a player if the absence is unexcused.
7. A student must be in school by 9:30AM to participate in practice or games for that day.
8. A student may participate in multiple sports per season after the student and parents meet with the Athletic Director, Assistant Principal and both head coaches.
9. A display of unsportsmanlike conduct toward an opponent or an official may result in suspension. An athlete involved in any fighting or similar violent activities during a contest or practice may be suspended for a minimum of one game.
10. Athletes must travel to and from events in transportation provided by the school. The only exceptions are:
 - a. Injury to participant requiring alternate transportation.
 - b. Prior arrangements between parents/guardian and coach for the student to ride home with parent/guardian.
 - c. If other transportation is needed, it will be coordinated through the athletic office. Generally, transportation to and from contests against Erie County opponents will not be provided by the school.
11. After the coach issues equipment, that equipment becomes the responsibility of the athlete. At the end of the season, equipment must be returned on time, intact, and clean on the day required. If the equipment is lost or damaged, the athlete will be charged the cost of replacement items.
12. Letters and awards will be given as specified in the school's awards policy. Awards are given based on participation, attitude and service. Prior to the season, the coach should give each athlete the criteria applicable for his/her particular sport. An outstanding participant may be chosen for each team. At the pre-season meeting coaches should provide to parents specific criteria for awards. Special awards are given to seniors as well as individual champion awards and varsity championships. (See MPS Awards Policy.)
13. Athletes are not permitted out of dress code during the school day without approval of the Assistant Principal. The AD will schedule a day of recognition for each team and will confirm proper dress.
14. Athletes represent Mercyhurst Prep, their families, and themselves. They should exercise good judgment in their actions not only during school, during athletic events or at practice, but at all times. The best guideline to follow is COMMON SENSE in all your

actions with proper considerations for yourself, your family, and your school. MPS reserves the right to remove athletes from our program who are not good representatives of the values of our school.

15. Parents are encouraged to review and abide by the MPS Spectator Behavior Policy. It is available through the coaches and on the school website in the student handbook.

MEDICAL CARE AND TREATMENT/RETURN TO PLAY POLICY

1. If an athlete is evaluated by a physician (including primary care physician, physician assistant or referring physician /clinician) for an injury, the athlete must present a written release by the physician for *return to play*. The written release must be issued to the athletic director and/or certified athletic trainer before the athlete may return to the specified sport.
2. If an injured athlete does not participate in practices and/or athletic competition exceeding 4 consecutive days, then the athlete must participate in an organized practice and/or conditioning program (including formal physical therapy and/or completion of sport specific testing), which may be established by the certified athletic trainer, primary care physician, physician assistant or referring physician/clinician before returning to play. The *return to play* status with regard to athletic competition will be at the discretion of the certified athletic trainer and/or team physician following reassessment of the injury and considering level of participation.
3. The certified athletic trainer and/or team physician shall be in communication with the athletic director, head coach and parents/guardian regarding the athlete's condition and progress toward *return to play*. Each athlete's injury will be assessed by the certified athletic trainer and/or team physician on an individual basis, considering factors including type of injury, severity of injury, previous medical history, physician evaluation and recommendation and level of participation prior to assessment for *return to play*.
4. It may be necessary to establish contact with the student-athlete's primary care physician or the referring physician regarding the student-athlete's injury and *return to play* status.

ACADEMIC ELIGIBILITY POLICY

Mercyhurst Prep offers a wide variety of co-curricular activities including interscholastic athletics, student government, performing/visual arts, literary, club, and service organizations. All students are encouraged to participate in these activities in order to round out their education. Certain responsibilities must be met by all students who participate.

A student must pursue an approved schedule which meets the necessary academic requirements of the high school and maintain a good record of high school citizenship, integrity, and attendance.
